

# Shot Heard 'Round the Multiverse

Throughout your journey you've considered a number of theories for Boston's past, and it turns out: they're all correct?! That can't be right. There must be a true answer... otherwise, why would we be arguing about it? There must have been a timeline-altering event that caused this whole mess. We must fix it!

**Returning to the evidence** considered at each location, use the **conclusions from each theory** to help merge the timelines back together. Maybe if we come up with a final theory for how everything split, we can learn what landmark to turn to to fix this tear in reality!
