

META: Talking in Circles

Boston's known for great literary minds, and you've concluded that it can all be traced back to Dante's *Inferno*. All that's left to do is take your past answers for a spin and make your rounds amidst the flames.

As you descend, following the lights, maybe you can finally figure it all out—what are the demons doing down there to give rise to Boston's literary proclivities?

1) a , perhaps 5

2) Moving 5-2-

3) Song by 2 4

4) Complete tedious 4 7

5) It's used when you in 9

6) Something done when in a 8 4

7) On an endless 7 2

8) Having lots of 2 3

9) to the , maybe 4 4
