

META: We Come In Pieces

You thought you knew history? **Wait and see!** Your research so far tells you one thing **loud and clear**: the British didn't invade—the aliens did! You've uncovered **bits and pieces** of evidence, but they only break down to tell **half** the story. It's time to decode the aliens' pictorial communications, with all its **bells and whistles**, and make the connections yourself.

What part of the Revolutionary warning was lost to time?
