

META: We Come In Pieces

You thought you knew history? Wait and see! Your research so far tells you one thing loud and clear: the British didn't invade—the aliens did! You've uncovered bits and pieces of evidence, but they only break down to tell half the story. It's time to decode the aliens' pictorial communications, with all its bells and whistles, and make the connections yourself.

What part of the Revolutionary warning was lost to time?
